| Description |
|-------------|
|-------------|

Collins Education are one of the UK's leading publishers of textbook, teachers resources and home learning materials. Collins texbooks include well know names such as Big Cat, IGCSE English, International Primary Science and many more.

Collins also deliver a wide range of teacher support materials. We supply schools worldwide through a network of suppliers.

We have offices across the world including our Middle East Sales Manager, Syed Shah based in our office in Abu

Dhabi.
