Description

Edvectus provides bespoke recruitment solutions to international schools. Our unique Learning Portal offers our candidates over 500 online resources including lesson plans, cultural guides, cost of living information, regional videos and more so that Edvectus teachers arrive prepared to quickly flourish at your school. Edvectus is a new company staffed by a team of dedicated consultants who are mostly ex-international teachers who possess more than 50 years of combined experience recruiting teachers to work internationally. Our experience allows us to provide proactive expert guidance to our clients. Edvectus has offices around the world including Dubai, New Zealand, UK and North America so that we are at once close to our clients and our candidates giving us a worldwide reach with a local touch. Our systems are developed to recruit simultaneously around the world and for child protection, internationally. Find out how we can work together to achieve your school's goals
