Description

Ecoventure Outdoor Education Services is a schools-focused Outdoor Education company providing curriculum based Field Studies and Outdoor Adventure residential programs from our three custom built centers in the U.A.E. We believe in the philosophy of “experiential learning”, taking the classroom outdoors, challenging students mentally & physically while participating in safe, enjoyable and adventurous learning experiences. Our Field Studies Activities can cover Biology, Geography and Environmental Sciences, and can be customized for a range of curriculums, such as IB, A Level, Edexcel and GCSE programs. Activities include:

1. Mangrove Studies: costal management surveys, examining biodiversity, examining interactions between species.
2. Desert Studies: track identification, human and agricultural impact, water use/ conservation, exotic vs endemic plants.
3. Wadi Studies: biodiversity of organisms, adaptations, biotic factors of wadi pools.

Rocky Shore: food web investigation and succession studies.

Our Adventure Activities include:

Climbing, Abseiling, Jacob's Ladder, High and Low Ropes Courses, Zip Line, Canoeing, Kayaking, Raft Building, Archery, Mountain Biking, Bush Craft, Survival Skills, Team Building Games and much more!

We also provide trips for Gold through Bronze Duke of Edinburgh International Awards.

Added Services:

- Progressive programs (from Year 2 up to Year 12).
- Structure of programs that link to schools curriculum/ learning objectives.

- Access to Field Studies equipment (e.g. microscopes, dissecting kits, animal handling, telescopes, rock kits etc.)
- Pre-camp site visits.
- Parent/ Student presentations.
- Marketing Material to advertise camp.
- Organization of all meals & transportation.
- Flexible departure & return time.
- Regular updates/ communication with parents through our Twitter & Facebook page.
