Description

Scanning Pens is a dedicated supplier of mobile scanners. Scanning Pens will be showcasing the latest reading aids that allow people to work & study independently. One of the most popular scanners at the moment is the C-Pen Reader, please visit www.readerpen.com for more information. The C-Pen Reader pen scanner is major technological breakthrough for anyone learning English and is a life-saver for those who suffer from reading difficulties such as dyslexia. The C-Pen Reader is a totally portable, pocket-sized device that reads text out aloud with an English human-like digital voice.
