Description

Digniora School Supplies provides high quality British educational resources to Nurseries, Schools and Universities across the Gulf Region. Digniora is the worldwide partner for YPO and Designs for Education (DFE), two premier British educational resource and furniture suppliers, delivering quality and value along with top customer service. Digniora provides a comprehensive end-to-end solution. We help educational providers to choose the most appropriate resources to meet their aims, before delivering and installing resources into the classroom. The company is experienced in delivering both large-scale start-up projects and small orders and we look forward to receiving your enquiry.
