Description

Professional & Independent Financial Advice with a Global Presence for international teachers & schools Global Investors Group specialise in serving teachers in the international school community. Our financial advisors are dedicated to providing you with quality financial services, tailored to your individual financial needs. Each year we travel to international schools worldwide to meet with educators individually. Our objective is to take away the stresses and strains of modern day financial planning, allowing you more time to concentrate on your own priorities.

Through a friendly and informal consultation we aim to help you achieve a comprehensive financial plan, unique to you. We regularly advise teachers on: -Tax efficient regular and lump sum savings -Pension schemes for all nationalities -QROPS pension transfers -Superannuation alternatives -Life and accident cover -Affordable health, travel and personal possessions cover -Offshore banking -International mortgage services -Will preparation
