Comments/Description
Capital School, Dubai is a through school offering a high quality UK National Curriculum based education for children in EYFS through to Year 13. We offer a broad and balanced curriculum taught in English. We focus on the core elements of literacy and numeracy as well as a wide range of curricular and extra-curricular learning including football, choir, cooking, drama and a school news website designed and maintained by students. A similar education is offered by our sister school Capital School, Bahrain.
