Comments/Description

At Compass International School, Gharaffa and Rayyan we promise our parents that:

Your child will thrive and grow in a happy, safe and caring International Environment.

Your Child will make great progress in their learning, which will be personal, challenging and fun.

Your Child will be encouraged to "Be Ambitious".

Your Child will learn to be a confident global citizen.

Our pupils learn in an environment that is not only fun and safe, it is happy and stimulating. We believe that happy children are successful and ambitious learners.

Our primary school at Gharaffa Campus is based in a building that was formerly a Sheikh's palace, and has been adapted to provide a conducive and safe environment for children to learn. Our primary school at Rayyan Campus combines a central palace with purpose-built classrooms spaces to provide a wonderful mixture of traditional and modern architecture, reflecting the nature of Qatar itself.
