Comments/Description

Kuwait English School is a large multinational, International School which has over 60 nationalities on roll. Within the school the curriculum is based on British National curriculum. The Literacy and Numeracy Strategies are utilized throughout the primary Department. The School covers the age range 3-18 years and in the Senior Department, studies lead to Cambridge Board IGCSEs and EdExcel AS and A Level examinations. On completion of their education students enrol in universities throughout the world. Arabic is taught in accordance with the regulations of the Ministry of Education in Kuwait.

The academic programme is complemented by a full recreational programme covering sports, swimming, art, drama and music. The School also runs the International award scheme at Bronze, Silver and Gold levels. Applications (accompanied by an up to date report) should be made directly to each Department, there is an entrance test in English and Maths for Junior and Senior students. KG and Infant pupils are required to have an interview.
