Comments/Description				

A vibrant learning community, nurturing happy, confident and accomplished students who, through a commitment to academic and personal excellence, progress beyond limits.

Jumeirah College is a GEMS Premium Secondary School which delivers The National Curriculum for England to Years 7 to 13 offering the full range of GCSE and A level courses. Our student body is a dynamic international community of over 1,000 students from over 60 nationalities. The College has been repeatedly judged to be Outstanding in inspections and is renowned for securing impressive outcomes for all students across a range of abilities and interests. The College celebrates exceptional examination results which annually see us comparable to top UK schools.

Notwithstanding academic success, we take pride in the development of the whole child, recognising the importance of developing cultural and spiritual awareness. We list a diverse range of activities, initiatives and charitable endeavours that engage our student body and embed our philosophy of global awareness and world citizenship.

Jumeirah College is the first choice school for many families and is part of the very fabric and history of the modern Dubai.

Other Comments

Jumeirah College has been repeatedly judged to be Outstanding in DSIB inspections over the last six years. This was also the judgement of a BSO inspection in 2013.
