Comments/Description

GEMS Wellington School - Together we dream, believe and achieve, leaving a memory of a remarkable journey.

Our school provides an exceptional standard of education to children from all around the world. We offer the English National Curriculum with internationally benchmarked assessment procedures and a global outlook. We welcome students from FS1 Year 8 with plans for natural growth up to Year 13. Our school is a dynamic, forward thinking school empowering students to develop the necessary skills for future success at university and future employment, meeting the high demands of the 21st century. Built to an extremely high standard, the school is spacious, bright, modern and featuring classrooms supported by a variety of state-of-the-art resources for the modern day learner.

Our fully comprehensive bus service picks up from all over Doha as well as in Wakra itself. Most journeys last no more than an hour and we have full GPS systems installed so the in-house bus manager always knows where the buses are and will notify you if significantly late. The children are kept safe by English speaking female conductors who apply a set of bus rules set by the GEMS schools.
