Founded in 2004, Kings' School Dubai is a high quality, purpose built primary school situated in the Umm Suqeim 3 district of Dubai. The school follows the National Curriculum for England. Admission is by play based observations in the Foundation Stage and class based assessment and interview in Key Stages 1 and 2. There are five forms of entry in each year group with a maximum of 24 students in each class. Designed to the highest of specifications, Kings' offers an outstanding range of facilities to support teaching and learning across the curriculum. The pace of learning is enhanced by advanced interactive technology throughout the school. Children have access to tablet PCs, iPads and laptops. All classes and teaching areas have interactive whiteboards. There is a purpose built gymnasium, 25 metre swimming pool, sports field, astro pitch, games courts, library, auditorium and assembly hall with stage and sound systems. Classrooms extend onto shaded outside teaching decks.

Specialist teachers are employed to teach ICT, Physical Education, Music, French, Islamic and Arabic. An extensive supplementary education programme offers a range of extra-curricular activities and educational visits. The School offers peripatetic music lessons. Assessment for Learning and Personalised Learning are key to the work of the school ensuring that each child has the utmost opportunity to reach his or her full potential. Kings' is staffed by teachers who are UK qualified and have recent, relevant experience. Additionally, the school is recognised by The Department for Education and Skills in the United Kingdom and has an outstanding BSO status as well as 7 outstanding DSIB inspection reports.

We believe in achieving the best results in the right way for children and see every member of the school community as a learner. We are proud to empower our children to be the best that they can be.
