Established in 2005, Star International School is a conservative British Curriculum school designed to serve the international community in Dubai. The key feature of the school is its relatively small class sizes. We offer a British Curriculum education for children of all nationalities from Foundation 1 (KG1) - Year (Grade) 9. The teaching staff is all UK trained and qualified. We offer various facilities like shaded jungle jim areas, shaded and temperature controlled swimming pool with changing facilities, multi purpose gymnasium & auditorium, fully equipped science lab, fantastic library with a wide range of reading material, newly renovated ICT suite, state-of-the-art music room, Interactive white boards in every classroom, art room that lets children explore their creativity.

We offer a range of stimulating and creative after school clubs. These include Breakfast club, Football club, Basketball club, Cricket club, Swimming club, Rock Climbing club, Cookery club, Art and creativity club, Music club, Arabic club. and Homework club. For Arabic speakers and non- Arabic speakers we provide additional tuition by qualified Arabic teachers in the curriculum specified by the UAE Ministry of Education S I S Al Twar is a community of learners where parents, teachers and pupils work as a team.
