Comments/Description

Horizon International School, Umm Sheif, is a rapidly developing school that follows the English National Curriculum and Early Years Foundation Stage for children aged 3 - 18 years.

We offer a combination of GCSE and IGCSE's at the Key Stage 4 leading onto to 'A' Levels. The school offers excellent facilities and very competitive class sizes to ensure all students receive the best possible education.

All of our staff are appropriately qualified and bring with them a vast amount of experience of teaching within the UK or in other similar International Schools.

As a school, we believe firmly in developing core values such as good manners, respect, honesty and a strong work ethic. As a result of these factors, we have developed an excellent reputation amongst the local and wider community as a school that truly cares. In addition to what we offer within the 'normal' school day, we also fully believe in the importance of an extensive Extra Curricular Programme including a variety of sporting, musical and performing activities.

Please visit our website for more information or call our Admin Team to arrange a tour of the school. All members of our community are expected to buy in to our motto to 'Aspire to Achieve'.
