### Special Needs Provision

### Comments/Description

Raffles International School (RIS), offers the full continuum of the UK-based, globally recognised Cambridge curriculum leading up to IGCSE and A-levels.

It is the first school in the UAE to offer a unique combination of Montessori Pre-school and an enriched Cambridge International Curriculum enhanced by a well-developed language studies programme, which includes Arabic, French, Mandarin and English Language support (ELS). Currently the school has classes from KG1 to Grade 8. It has an international student community from over 90 countries.
